HARBOUR MASTER WRITTEN NOTICE 1/2022: HULL CLEANING IN PORT OF RICHARDS BAY

Kindly be informed that the Operation of Hull Cleaning is now permitted at the Port of Richards Bay.

The Operation can only take place in the following berth at the Port:

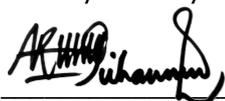

Berth 306, Berth 606 and Repair Quay at Small Craft.

Kindly make proper arrangements with the Terminals for the utilisation of such berths for the operation.

For any further clarity you can contact our marine Safety Specialist Phumlani Dlamini on 082 866 0218.

We trust that this will assist to mitigate some challenges that we had in the past.

Thank you kindly.
