

Environmental Legislation Update

30th January 2012 to 24th February 2012
Volume 9, Issue 2

Shepstone & Wylie's Environmental and Clean Energy Departments advise clients in both the public and private sector on a range of environmental and clean energy issues. Assistance is given to companies in a number of industries, including mining and resources, utilities, chemicals, steel, agriculture, automotive, waste, storage, building and transport. Issues covered include environmental compliance assessments; due diligence assessments; contracts; structured finance; environmental management systems; new and pending legislation, and permitting and licence requirements.
